Faith in Action: Jubilee Style

During our year-long celebration of the 75th anniversary of the Diocese of Joliet in Illinois, we have emphasized that we are *"Founded in Faith, Called to Witness, Sent Forth to Serve."* During the month of October, we decided to focus on the last four words, *"Sent Forth to Serve."*

Specifically, I asked every parish to undertake a communal service project during the month of October. I did not care what date they selected or what type of service project they chose. The goal was simply for every parish to do something - anything - of service in the name of the Lord.

As our parishes participated, each in their own way, I recognized that, as the Shepherd of the Diocese, it was important that I "walk the talk" by joining a parish in their service project. So, on the morning of Saturday, October 19, 2024, I arrived eagerly at one of our parishes to pitch in on their service day. I was greeted by hundreds of parishioners of all ages who were ready to assemble food for the hungry, pack boxes of dry ingredients at a "Feed My Starving Children" event, visit the elderly in nursing homes and extended care, give donations to the Little Sisters of the Poor, make autumn cards for the homebound and veterans, and carry out clean-up projects that included washing windows, pulling weeds, and raking leaves at the homes of people in need of assistance.

I joined a group of 10 wonderful team members that delightfully included grade school students and their parents. We went to the home of a man named George. It was a warm, sunny autumn day. We immediately took off our jackets, donned work gloves and began raking, pulling weeds, and sweeping. As I was raking, George approached me, and we engaged in a friendly conversation. Eventually, I said, "George, I love talking to you! But I need to be a good example, so I better get back to my chore." He kindly replied, "Oh, Bishop, I want to tell you something. Just by being here, you are setting a good example for everyone. Thank you for your service."

George shared about his amazing life, including how he went to New York City after 9/11 to help rescue people from the ash and how he went to New Orleans after Hurricane Katrina to assist with the cleanup efforts. "But I have to tell you," he added, "I feel a little embarrassed now that I have my bishop and this group helping me with my leaves and weeds. I have three dislocated discs in my back, and I cannot bend or twist." He sighed and lamented, "I really wish I could work alongside all of you right now, but I can no longer be of service."

I stopped him and said, "George, you've shared with me that you pray a daily rosary for peace in the world, attend daily Mass, and once a week bring Holy Communion to the sick in the hospital. You might not be able to serve in the ways you used to, but you are still serving the Lord and your neighbor with your prayers and by bringing the Eucharist to the sick." Believing that one kind word deserves another in return, I expressed, "Thank YOU for your service!"

My warm chat with George can be summed up with the powerful quote from Saint Mother Teresa of Calcutta: *"I cannot do what you do, and you cannot do what I do, but together we can do great things!"* That's it! Depending on our age, abilities, time constraints, and other life challenges, we will all put our faith into action in different ways. The goal is to do something - anything - always in the name of the Lord to build the Kingdom of God.

And remember, when we serve, we may feel good about ourselves with what we did. But there is more to it than that. Jesus himself commanded us to love and serve others. Therefore, as Catholics, our service to others is an outward expression of our love for God, whose Son we follow. To paraphrase the Gospel of Matthew 25:40, "Whatever you do for the least of your brothers or sisters, you do for Jesus!"

As we approach the conclusion of our Jubilee year, with faith, let us never cease to witness Christ by being, "Sent Forth to Serve!"

Eucharistic Miracles Throughout History

Sometimes the veil between heaven and earth flutters, and God allows us a physical glimpse into supernatural realities. Below are some of the many amazing Eucharistic miracles that provide evidence for the Real Presence of Jesus in the Eucharist.

Scientifically Confirmed

LANCIANO, ITALY

In the eighth century, an Italian monk had doubts while saying Mass. As he said the words of consecration, the host visibly changed into cardiac tissue and the wine became physical blood. This miracle has been studied by modern scientists, who have concluded that there is no natural explanation. DNA indicates the flesh is from the middle east, matching the genetics and blood type recovered from the Shroud of Turin.

The Waters Parted

AVIGNON, FRANCE

The Chapel of the Holy Cross had the Eucharist exposed during the massive 1433 flood. The water in the church was 4ft high, but the center aisle remained completely dry, creating a clear path to the Eucharist.

An Army, Defeated

ASSISI, ITALY

In September of the year 1240, the Saracen Army stormed the convent of the Poor Ladies of San Damiano, now known as the Poor Clares. Though frail at the time, St. Clare carried the Blessed Sacrament before the army and cried out to Jesus for protection. The soldiers were struck with fear and retreated at the sight of the Sacred Host.

A Living Person

BALTIMORE, MARYLAND

On his 1995 visit to the United States, Pope St. John Paul II asked to visit the Blessed Sacrament at Saint Mary's Seminary chapel in Maryland. His security personnel brought in trained dogs to sweep the area. The dogs indicated that a living person was in the Tabernacle, and refused to leave!

Even Fish Worship Him

ALBORAYA-ALMÁCERA, SPAIN

In 1348, while a priest was crossing the river on his way to bring the Eucharist to some sick members of his community, he was knocked into the water by a wave, and the consecrated hosts were swept away! Horrified, he did not think they could be recovered. Some fishermen called to him from further down the river, where three fish suspended themselves almost completely out of the water, holding the precious hosts carefully in their mouths. One-by-one, they deposited the hosts back into the chalice and dove back into the water.

Bl. Carlo Acutis dedicated his life to chronicling hundreds of approved Eucharistic Miracles on a website he built himself. Join us in asking his intercession for the National Eucharistic Revival, that we may be set ablaze with the same desire to make Jesus in the Eucharist better known and loved!

Christmas Basket Program

We are thrilled to announce this is the 60th year of the St. James the Apostle Christmas Basket Program benefitting our DuPage County neighbors who are served by Catholic Charities, as well as by our St. James St. Vincent DePaul Society!

It is our hope you will consider adopting a family for Christmas. Our goal is to serve over 200 families again for Christmas of 2024. Family selection will begin the first weekend of November, and will continue throughout that month until all families are claimed.

We invite you to get creative this year and think about possibilities outside the box. Have you even considered joining with members of your book club, scouting troop, workplace or extended family to adopt a large family together? 2024 may be the right year to begin this kind of wonderful new tradition to bless others in our local community!

**The Ancient Order of
HIBERNIANS**
Irish • Catholic • American

It is with great pride that we announce the completion of the investiture of officers for the AOH new Western Suburbs division this month in Sebahar Hall. The Illinois State President Dan Haney performed the ceremony, and we were blessed to have family and friends present.

Our organization traces its origins back to the 1600s in Ireland. The AOH in America was founded at New York's St. James Church on May 4, 1836 to protect the clergy and churches from the violent attacks against Irish Catholic immigrants and Church property. At that time the vast influx of Irish Immigrants fleeing Ireland's Great Hunger in the late 1840's, prompted a growth in many Irish societies in the USA – the largest of which was, and continues to be, the AOH.

We invite all Catholics of Irish birth or descent to seek admittance to the finest Irish Catholic Organization in the World — all we would ask is for you to live our motto: "Friendship, Unity, and Christian Charity". Dia 's Muire dhuit! (God and Mary be with you)
